Aloha LoveTribe,

Join us this Friday night March 4, for First Friday Art Walk, and our first year celebration party!

Looking forward to seeing Ashland LoveTribe friends and meeting new ones.

*The current Issue of **Locals Guide** features Devi Outback in the Temple of Venus "Be Fearless, Choose Love"*

As Heather says (picture on the right):
"Spring is poking through the soil. Soft green leaves are budding on old vines. Every day I see a hummingbird. After all of the rain (and more to come we hope), this Spring seems bolder than the last. In that spirit, we're happy to bring you fresh linens and cottons from Italian designer, Inizio. From fitted to looser garments, slouchy T's, tailored tunics and jackets, flowing sweater vests. Lots of dresses and tunics! At half of regular retail prices."

***Mention "LoveTribe" and get 20%
Off new Spring clothing.
Fall clothing is still an additional
50-80% Off.
