Sweet LoveTribe!

Just returned from playing with my friends in Las Vegas, while shopping for our tribe. Here is Haim, where we get the beautiful Ricciardi and Trades jewelry, which we just got in more of, gorgeous pieces with amazing LoveTribe discounts. Then me (who Haim had just played a trick on). Next, Jan Michaels wearing her new "tie" necklace, while many young people were stopped in their tracks to worship her. And her

assistant Leslie, who helped Jan get new pieces Outback, now in. My time was fun, treasures and deals to be had, while many (venders, taxi drivers, people on lines, on airplanes) let me know they felt their lives were changed and uplifted around me. Wise women do Vegas.

We will be having our semi-annual sale beginning in one week (private LoveTribe day Aug 25). This week we will have our pre-sale week for the LoveTribe only, of 25% off everything in the shop. Mention Lovetribe. Shop early for one of a kind pieces.

Towards the fun ... one ... in our Temple of love, beauty and good deals!
