Ciao LoveTribe!

I just returned from the lands of blue waters and gentle strolls ...

I joined my daughter Diva at a Slow Art Retreat she was hosting in Salina, Italy. Here we are strolling through the neighboring town of Santa Maria (in Sicily).

On the trip I realized I may not "retire" from business, so I re-framed my life to "this is retired". And this adventure was the perfect way to recalibrate.

This is made possible by the generous and talented stylists, hostesses that are committed to serving our community. By my friends, our suppliers that give us beautiful pieces at amazing prices. And by our LoveTribe for your loyalty and appreciation for what we offer. Thank-you! AND, by my talents which have grown to mastery over the years!
