Peace and Love, LoveTribel!

Going to the land of the eternal Summer of Love ... Ashland!

This picture was a few nights ago at a Summer of Love party. Although I've always had rose colored glasses that looked through the shape of love, that was an era when fear, skepticism moved aside and I had many hippys (hip to our oneness) to party with. I'm heading up to Ashland (where that bubble never burst) for our first friday Art Walk party. Hours between 5 and 8ish we will have snacks, love, beauty, special discounts and FUN!

I look forward to seeing many of you there.
