Aloha Lovetribe,

"Hard work pays off in the future, laziness pays off now."

*This was my fortune cookie along with a selfie I took at 1 am after a fun day and night in Las Vegas. I was showing Jan that I was wearing my current favorite Jan Michaels' necklace and earrings.*

Like most people I have "opportunities" (many call challenges) that had tired me out and squeezed my time shorter at the shows in Vegas (18 large trade shows I puruse there). Getting this fortune cookie was reminding me of my intention of living a "retired" work life. I was able to do all the shows at a pace that was completely enjoyable for me. Including sleeping in and hanging out with friends at night. I found many beautiful items at great prices and some of them will show up (I will be bringing up) during sale time. Including new JW and Citron pieces, plus a new men's Rock and Roll line of shirts.

The other things that motivate me besides good deals and beauty is music (dancing), and fun ... for everyone. We've been known to dance around the racks after first Friday ;) The balanced life of a lazy girl and a hard working woman (or vis versa!). Having my cake and eating it too! May this sale be a bit of delicious cake for you all.
