Aloha LoveTribe!

I wanted to let you all know (thus this quickie) that I did the big shop at Johnny Was, which is now in, so you can get fresh picks!

Although I did the **BIG SCORE**, I've also been buying some regular priced goods from our main suppliers to include in with all the off price great deals they give us (it's only fair!). Though you will get your LoveTribe 20% off, so still a deal on these latest designs.

Also, **today** in Berkeley on 4th Street, **The Bouquet Vintage Market**, an outdoor event of makers and vintage sellers. FUN!
And on 4th, [Tacubaya](#) has moved into the Rouge space making their delicious fare even more festive to enjoy!

And speaking of delicious fare, I was at a spontaneous dinner with 10 friends at our friend Amy's [Revival Bar and Kitchen](#) (formally the Goddess behind Venus restaurant). We (thanks Clare!) were keeping community intact and supporting our community infrastructure, in order to share the love and joy of being together.

I asked Amy for a LoveTribe special to share with you and she offered a free espresso with your brunch and/or a sparkling wine with your entree... mention LoveTribe.

Looking forward to sharing the love and joy of our LoveTribe!
