**PS**There are so many great lines not pictured in this newsletter as most of you that have been Outback know. I'm sorry there are no pictures of "mens" clothing and sorry we couldn't do a photo shoot to represent the diversity that is our LoveTribe. A grandma can only do so much(which is a lot ;)! But my new years aim is to make this happen. SOooo... if you are Outback trying clothing on and feel your body type is not represented, let us photograph you right then! I will make sure your beauty is represented even if the photo needs a bit of work ;)
