Aloha LoveTribe,

I'm sorry to alert you at the last moment, I've been busy putting out fires which are still smouldering (figuratively speaking!)

Hopefully this last minute invitation will work for some of you. Tonight at Outback in Ashland, we have a beautiful presence to be with and hear from and about his new book, *Giovanni and the Camino of St Francis*.

For over twenty years, [James Twyman](#), also known as The Peace Troubadour, has traveled to countries at war to share the prayers of peace from the 12 major religions of the world he put to music in 1994. He has been invited by peace organizations and even the leaders of countries to Bosnia, Iraq, Northern Ireland, South Africa, Syria and many other countries to initiate world synchronized meditations while battles raged around him. Each time millions of people participated, and miracles have often followed. James is also the *New York Times* bestselling author of sixteen books, including *The Moses Code*, has recorded over eighteen

albums, and has produced or directed six films. In 2018 James was consecrated a Franciscan Hermit. He now lives in Ajijic, Mexico where he founded Namaste Lake Chapala, an interfaith peace community.
