## Aloha LoveTribe!

*I did the big shop at Johnny Was and Citron warehouses, which is now in, so you can get fresh picks (30-50% off, plus your LoveTribe 20% off discount on one piece!).*

*I also cleared out some other warehouses as well!*

*Leaders in Leather, engraved leather purses and wallets of all sizes. Lots of new jewelry and great finds for our \$10-38 racks!*

We were nominated again for Best of the Bay, this time for best evening dresses (That's a first!) If you agree [vote here!](#) And we have many new dresses in that category, should you need one. Heather here is casually wearing a summer one, netted and embroidered with included slip, dressed down with handmade fabric necklace, straw hat, pink cross body bag and United Nude sandals.

Not taking dressing (and life) so seriously opens up our play, our creativity and our imagination. I discovered 50 years ago, [Imagination is the force of nature.](#) You can read my (VERY) unedited (Alexis help!) story of my discovery [here.](#) Dream it, be it, live it's unfolding magic.

Being Fearless - Choosing Love

xoxo Devi
