### *Aloha Ashland LoveTribe,*

Because of road closures the new Johnny Was and other treasures just arrived yesterday and the goddess elves worked late to get them out for small biz Saturday. So the sale in our warm cozy space with "Temple Tenders" tea, snacks and community is on for the day! (and continues through Sunday). Enjoy!!

To review:

Brrrr... it's cold and rainy (snowy?), so our first offering is **25% off all jackets and coats** (many rain and water resistant ones!). UBU quilted and reversible rain coats, jackets and vests, new Johnny Was sweater coats, Montana jackets and more...

Miriam, Tashina, Rowan, Kelly, Karin

**New Johnny Was** now in, **25% off 1 piece**. All of this new Johnny Was is already marked down 30%, so it will be 25% off on top of that.

And for all of you gift givers, **25% off all socks, tights, scarves**. And **20% off all jewelry**. And as always for our **LoveTribe 20% off** any one piece. You must mention the **password: LoveTribe**, as the public sale is less of a discount.

I am very grateful for all of my big hearted and talented co-workers/players, and for you, my LoveTribe. Thank-you for supporting and shopping small businesses.

xoxo Devi

Just a small sampling of new styles in, though not all styles/sizes in all shops.
