Aloha Love Tribe,

It's Spring transition time! New moon, new life, getting ready to dance with whatever comes our way!

The shop is still transitioning to spring. A lot of new beauties in and coming in daily. Johnny Was, Citron, Moonlight, Luchino Visconti "mens", hats, bags, jewelry and so much more. Next email we will have some photos of these. The photo shoot that Heather and Hillary did for this email is of Inizio linen, Maria P Grazie (from her final collection), and United Nude sandals. We have many more linen collections from Inizio that will go out weekly. And after this weekend, what's left of the Maria P. Grazie collection will be available to "borrow" in our clothing Library, [Outback X Library](#). Yes, that is still going to open ... soon! So bring in your loved but no longer worn clothing for store credit. Along with new special designer pieces we will have available to share, Shaye and I will be sharing some of our closet and some of yours. We still need more larger sizes, so if you are a more abundant goddess, go through your closet soon!
