Ashland opened for a 4 day trial last week. Everyone was so happy and appreciative! And the stylists/hostesses were also so happy to be serving the community again.

We will still go week by week as we see if being open continues to liquidate merchandise, pay bills and be fun and safe for all.

This week there is new merchandise from our (closed) Berkeley and Richmond shops, including new Johnny Was, more Inizio and summer sweaters for our \$20 rack (normally \$89-\$148)
Although there isn't as much online, you can still order that way and get

curbside pick-up or free shipping this week only.

To Shop online click OutbackInTheTempleOfVenus.com.

Because of the way our online shop works, you can only put in one discount code at checkout. If you get Inizio at 50% off and don't get the 25% off other items we will credit you back. If this happened to you previously, let us know and we'll credit you back.

I've heard that some of you don't want (and don't believe it helps anyone) to wear masks. If this is you, whether that's right or not isn't the issue. We have room for all opinions to live as we move towards harmony. We just ask that everyone respects those that feel safer with everyone in their environment wearing them (most people right now). And respect that our hostesses come in contact with many more people, serving the public, and as far as we know, are safer with people wearing them (they wear masks for the public and you wear masks for them and the public) .

SO... please wear a mask in our Temple/Shop and if you don't have one we are providing disposable masks for your use. And please use the hand sanitizer when you enter or put on the gloves provided.

Now that that's handled, as in my dream last night ... Party on while shopping local and enjoy this beautiful day!

Be Fearless - Choose Love

xoxo Devi

Here's my current favorite
mask. It uses non toxic
threads, organic cotton, has a
section for inserting a filter,
though because of it's fit and
fabric it is better then most
cloth masks even without using

an insert filter.

It is comfortable and you can pull in down below your chin easily, while still wearing it, for fresh air when no one is around and then easily back up when needed.

It comes in natural and all the colors to the left, plus their new blueberry, that are botanically dyed. Also larger size available soon.

These are quality masks at 2 FOR \$36. ALTHOUGH WITH THE CODE:LOVETRIBE25 2 FOR \$27
