Dear Bay Area LoveTribe ...

Our lights are going on soon!

After almost 4 months we will be opening our Berkeley Temple/Shop (YEAH!) this Weds - Monday. Many of the shops on 4th St (including Rabat, Molly B, Mephisto, Margaret O'Leary and Anthropology), were opened last weekend and many more are opening daily. And there is fine dining once again on 4th St, as many new outdoor dining spaces have been created. ***We did a soft opening last weekend, not announcing it, just getting into the flow with all the precautions in place.***

We will have reduced hours and days for awhile as we see what's wanted and needed to work for all.

Hours: Berkeley Wed- Mon 12-4

Pt. Richmond Thurs - Sat 12-4

We'll need to hire more Stylists/Hostesses, so send some fabulous stylin'

women our way to host with us and serve our community.

We are having **Liquidation Sales** through the Summer as we lost those months of sales this season and need to liquidate to pay invoices and merchandise that was put on credit. So everything in our shops will be an additional 25-50% off to our LoveTribe and 20% off to the public, with weekly specials. **Password: LoveTribe**

See open protocols at the end of this email.

This weeks Bay Area Opening Specials:

Protocols for opening:

- Everyone will wear masks and hand sanitize when entering with hand sanitizer or disposable gloves (provided).
- We have air purifiers purported to remove viruses in the dressing room, and one in the main room, and we are limiting the number of people at a time so each has their own space to physical distance approx 6+ft. Everyone please honor each other's space.
- We will be putting clothing that has been tried on but not purchased, away, and then steamed (sanitizing) before they get put back out. Even though the CDC says that it is highly unlikely for clothing to hold or pass the virus.

- And we will be frequently wiping down high traffic surfaces and washing our hands regularly.
- We will have signs, as well as alerting people, to physical distance, wear a mask, use hand sanitizer. Essentially keeping everyone conscious of making it a safe space for all.

In our continued tithing, our Ashland Temple/Shop donated \$700 to Black Lives Matter, our Richmond Temple/Shop donated \$300 to our local "Father" on fathers day, a black, gay artist, that has volunteered his own time for years to our community, now needing our support. And our Berkeley Temple/Shop will have an action next week as the sales pick up. Thanks for your partnership in creating strong, diverse communities supporting the flow of love and beauty.
