Dear LoveTribe ...

This week our ***Pride meets 4th of July SALE*** , speaks of the awareness that true freedom comes from our interdependence, with the awareness of our oneness. We drink the same water, we breathe the same air. There is no amount of hand washing that will separate us. When we speak of herd immunity, we are talking about creating a strong body together.

**And this weeks' SALE is ... Ta Daaa** (Kobes' new favorite thing to say as he raises his arms and comes into the room) ANY item that has 6 of the colors of this 8 color **RAINBOW** flag (printed and/or embroidered

shirts, coats, dresses, jewelry, socks, scarves, etc) or is predominantly Red, White and/or **Black Lives Matter**, will be **40% off!** And our ongoing 25% off everything else (except the \$10-38, half off racks)

**As always there is a larger discount for our LoveTribe (you!) so mention the Password: LoveTribe**

And for our **Black, Brown and Red sisters** (and brothers), this weeks titling will go to you to distribute. On your purchases there will be an **additional 20%** off of your entire purchase (including \$10-38 and half off racks), making everything **45-70% off** for you. You decide if that additional 20% should stay with you, as a needed boost to your Queenliness (or in the case of our brothers, Kingliness!). Or you will give it to a young black, brown or red single mom, or to an organization or tribe as a few examples.

**This weeks Hours:**  
**Berkeley Wed- Mon 11- 4ish**  
**Pt. Richmond Wed - Sat 12- 4ish**  
**Ashland Wed- Sat 12- 5ish**

**A note to Ashland:** We thank you for the amazing support from day 1 of opening. As the Bay Area has been very slow, we sent some of their stock (yes Johnny Was!) that should arrive today or tomorrow. There is still plenty in our Bay Area shops though!

We are having **Liquidation Sales** through the Summer to lighten up our very stocked shops. And we are still taking in (honoring) the goods we ordered for summer from our small vendors. We will re-evaluate in the fall if we go back to normal, keep this up, or close any of the shops.

**Our online shop is still open**

**Thank-you to our Bay Area LoveTribe for supporting us this way!**

**OnLine Discount Codes:**  
**LoveTribe25 (for 25% off everything)**

Remember to enter the code when checking out (and if you forget email us)

All orders are returnable and/or exchangeable.  
They are packed using sanitation procedures.

Protocols for opening

You may not agree with these but we need to do our best to protect our staff of Hostesses and Stylists (most elder).

- **Everyone** will wear masks (or wait outside if your with ANYONE without a mask) and hand sanitize when entering with hand sanitizer or disposable gloves (provided).
- We have air purifiers purported to remove viruses in the dressing room, and one in the main room, and we are limiting the number of people at a time so each has their own space to physical distance approx 6+ft. Everyone please honor each other's space.
- We will be putting clothing that has been tried on but not purchased, away, and then steamed (sanitizing) before they get put back out. Even though the CDC says that it is highly unlikely for clothing to hold or pass the virus.
- And we will be frequently wiping down high traffic surfaces and washing our hands regularly.
- We will have signs, as well as alerting people, to physical distance, wear a mask, use hand sanitizer. Essentially keeping everyone conscious of making it a safe space for all.
