Hello LoveTribe,

Our **Semi-Annual SALE** continues this week with an additional 30% off all clothing and 25% off everything else except a few consignment lines (at 10%off).

**I was able to scour Johnny Was' warehouse and find many treasures (700+) to add to our sale and our large collection of JW**

- Many pieces added to our regular racks
- Many pieces are samples, so one size fits many styles and size small (though many of those fit up to large and most to medium).
- Many slight seconds (wabi sabi - the perfection of imperfection) in sizes xs-3x which will be on 70% off racks.
- Plus there will be seconds in all sizes that Clare will be fixing (a master embroiderer and mender) and seconds that need re dying that will go to

our dye house. These will be put out as ready.

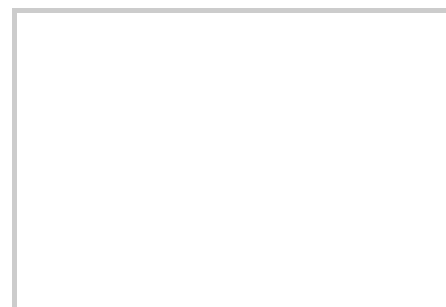

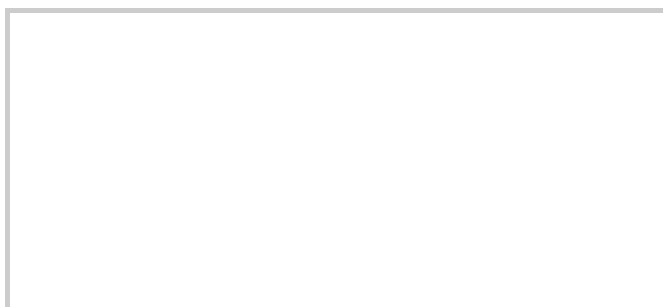

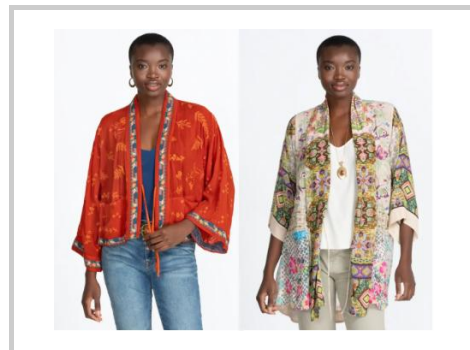

Although the sale for clothing will be 50% off next week, the racks of 70% off won't be going down and won't have as good of a selection! These racks were VERY popular last year. FYI ♥

**I also went to Citron's warehouse** and Ricki (my good friend for 30 years) gave me great prices so we could add to our sale! Some of these (about 500 pcs) will be out in Berkeley where they arrived today but won't get to Richmond until the weekend or Ashland until next week.

As you know, the discount is 10% higher for our LoveTribe, so use the password if you're not one of the regulars we all know! Password: LoveTribe
