## Valentines Day story

My 4 year old grandson Kobe is having problems at school with his best friend. He's a year younger than his 3 best friends and at a different developmental stage. This morning as he was being dropped off to school he got excited about how he might handle it, letting his friend know it hurts his feelings. As he was leaving he said ... my friends are who I love ... but sometimes love hurts. Aww ... his first broken heart. But he's fearlessly choosing love!

**BE FEARLESS - CHOOSE LOVE VALENTINE**

Kindness for me and thee, is the key, in 2023.

xoxo Devi
