# Our sidewalk sale will be Sat & Sun

Dear LoveTribe,

This email is to let you know about the Annual Spring Sidewalk Sale on 4th St in Berkeley this Saturday March 25. And a personal update, at the end of this email, of growing with the flow (winds, trees, transitions ... Oh my!)

## Sidewalk sale and Makers Market:

Many merchants put out 40-60% off racks. We take advantage of this time to do some spring cleaning, going through our warehouse we are finding a lot of treasures to include. Slight seconds of Johnny Was (which everyone loves), JW bathing suits in many sizes, and JW tops in mostly smaller sizes at **70% off!**

We will also have men's shirts at \$24 & \$38 (normally \$59-89). Designer pieces and other odds and ends on \$10 - \$38 racks). Hundreds of pieces!

There will also be a **Head West Makers Market** on 4th st this saturday 3/25 from 11am - 5pm in the parking lot between BoConcept and Rejuvenation.

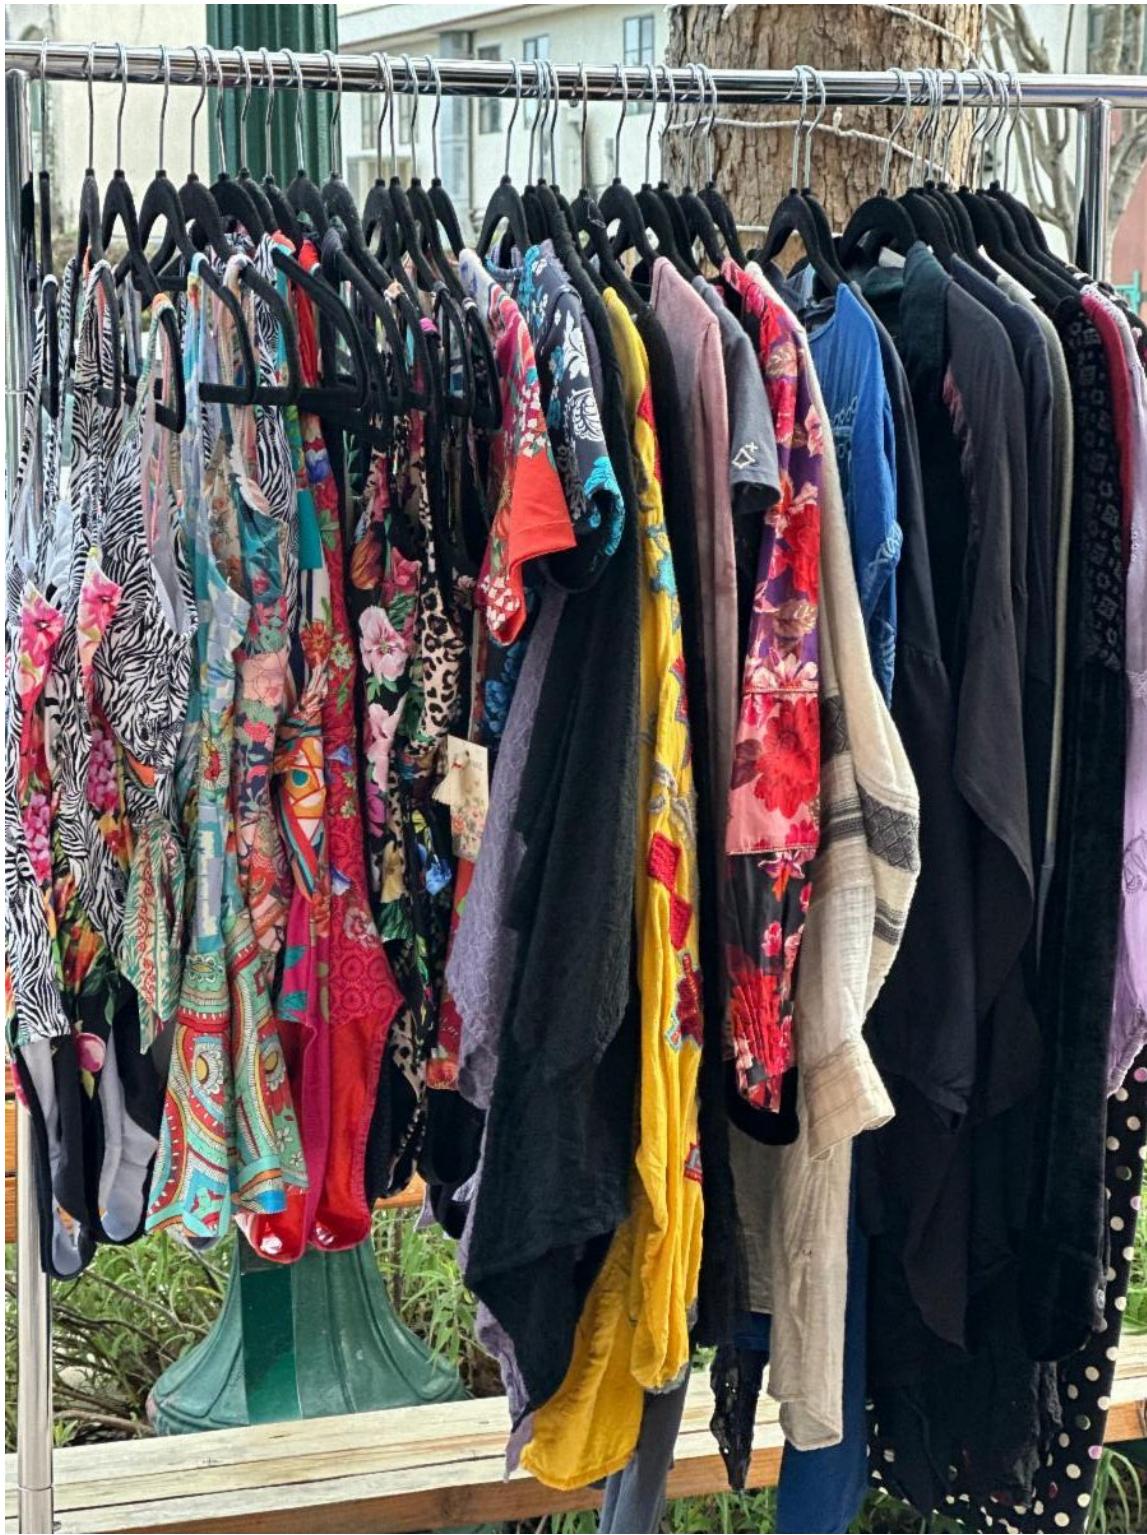

We have so many new Spring styles ... and are we ready for spring!!

**It will be a sunny new spring renewal kinda  
Day ... Come play with us!**

**But last week OY!!  
rain, winds, fallen trees ... oh my!**

**Well, it was a  
miracle no one was  
hurt ... as a huge  
tree fell from our  
neighbors yard onto  
our home.**

It was a tree split into 2 trees part way up and as it got close to the house the split caused it hit on both sides of the house causing a lot less damage and danger.

Although a close call and with glass shattering towards Kobe (our 4 year old grandson) he jumped onto the floor to crouch down and cover his head (from

Kobe's trampoline in front where he usually jumps during that time of day.

earthquake drills at school) Screaming HOLY SHIT! HOLY SHIT! HOLY SHIT!!

I've given up trying to figure out where he picks things up ... I figure Holy Shit must be the universal sound of extreme distress ... like Aum is the universal sound of life.

Yes, we'll need a new home for awhile but so far many miracles line our path.

## And transitions ...

### **Daniel Ellsberg may be making his last journey in this life form ...**

So much love and gratitude to Dan and his equally amazing Goddess, Patricia.

And their example of living authentically on their own paths and in partnership ... groundbreaking in so many ways. Altering the DNA of humanity to being more alive, awake, passionate, compassionate and playful. Not to mention saving thousands of lives with the end of the Vietnam War. And Dan's ongoing work to bring awareness of the perils of nuclear war and wrongful interventions.

You can read his beautiful and powerful letter to his friends, comrades and family, after he found out last month that he has pancreatic cancer, [HERE](#)

There will be many more kisses (much love) before he leaves, along with his teaching. The balance their relationship brings, you can feel in this picture I took, at a surprise party Dan threw for Patricia's birthday 10 years ago.

### **One last update ... Spring renewal, earth awareness**
