Dear LoveTribe,

Those of you who have been on this journey with us since the 80's might have gotten the above large postcard (collage of LoveTribe) in the mail. Women's day is an everyday event Outback in our Temple of Love and Beauty and joining the world to Celebrate Women is ... well, essential ... as well as a joy!

We are celebrating the international intention to value, protect, love, appreciate and support women and awareness of how vital this is. My wish for this International Women's Day is we appreciate ourselves, each other and all women for doing our best in this wild, beautiful, crazy world we share.

And to be as beautiful ... BeYouToFull ... being ourselves fully and anointing our personal Temples, our bodies, in love and beauty. We will be offering 40% off any one item, even discounted ones (except for consignment items like Magnolia Pearl) through the weekend and ask you to gift 10% of that back to our fabulous stylists and "Temple Tenders". I know how they have served and supported you. This is just a way to acknowledge financially us all! Supporting each other is the name of our game. This might sound a bit complicated but other then simply wonderful, women aren't (necessarily) simple!

There are so many new spring/summer items and our shops are very full. I will be getting an email out with new pictures in the next couple of weeks.

I didn't want to miss acknowledging this Day though. My nephew Riley, who has just moved back from living in China for 9 years, said by law, ALL women in China get half the day off for Women's Day. Wow! This day has a long history, equality for women in our world still has a way to go, but we're on the path!

BE FEARLESS - CHOOSE LOVE

Kindness for me and thee, is the key, in 2023.

xoxo Devi
