Party time goddesses (of all genders)!  
The party is one of enjoying life while

living the Warriress way. (Joining from your cozy bed also works ;) Warrior Love Goddesses, fearlessly loving the unloveable (from a safe, for you, distance), while inviting to the table, making room, listening and hearing those that are left out of the conversation (marginalized). A party of creatively living into the world we want to see while riding the waves of the world around us.

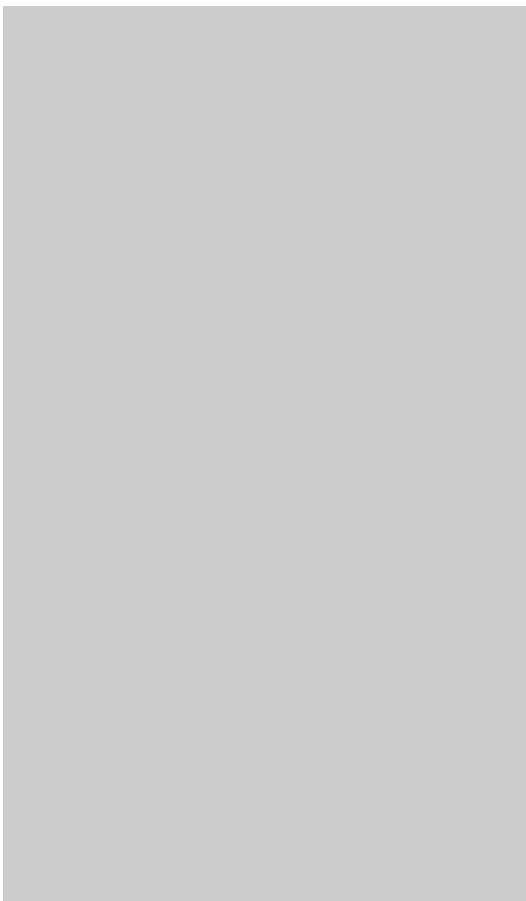

When we take the time to dress for our life stories, it adds to the magic of our days and enhances our intentions. Whether thats fun and colorful, simple and relaxed, or dressed to the nines, I like to make it comfy. (cozily moving out of our comfort zones).
