Dear LoveTribe,

A Mothers Day poem from one of my favorite poets,  
Kahlil Gibran, highlighting (bold) for quick read.

**"The most beautiful word on the lips of mankind  
is the word "mother" and the most beautiful call  
is the call of "my mother".** It is the word coming  
from the depths of the heart. The mother is  
everything- she is our consolation in sorrow, our  
hope in misery, and our strength in weakness. She  
is the source of love, mercy, sympathy and  
forgiveness.

Everything in nature bespeaks the mother. The sun  
is the mother of earth and gives its nourishment of  
heart; it never leaves the universe at night until it  
has put the earth to sleep with the song of the sea  
and the hymn of birds and brooks. And this earth is  
the mother of trees and flowers. It produces them,  
and weans them. The trees and flowers become  
kind mothers with their fruits and seeds. **And the  
mother, the prototype of all existence, is the  
eternal spirit, full of beauty and love.**
