## Nameste LoveTribe!

I'm loving how this mythic story is unfolding... Kamala Devi Harris.

The goddess rising in strength not to drain the swamp but to arise out of it, bringing the beauty of peace, respect and compassion ... true liberty.

Kamala means lotus flower in Sanskrit. Lotus flowers grow in mud and arise in all their glory ... powerful and graceful.

Kamala's middle name is Devi, the name of the mother goddess and of Durga an aspect of Devi that she is embodying. Durga was given the strength and tools by all the gods to defeat the King Demon and restore peace and prosperity to humanity. She comes when humanity is on the brink of extinction.

The goddess is rising ... yeah!  
(I don't even need popcorn to enjoy this movie!)

Be Fearless - Choose Love

(yes, that is one of my names) I'm in the book of **Goddesses** listed as Devi Harris by the author/artist Romio Shrestha, though I usually don't use that name. Romio's message has been, "it is the goddess that will save this world". Let's do this!

## Point Richmond ... our own little Mayberry!

Our favorite model Melody (thanks Melody) and OMG!! she gives the **BEST EVER** facial (blissful and **VERY** effective).

Since we opened our Mill Valley shop, our Point Richmond Shop stylists have been getting lonely! So FYI, the prices are cheaper at the Point and there are many special pieces of Johnny Was, as well as a recycled section. Help brighten up!

And great eateries!, including this **new** one, **Johnny Boi Smash** Burgers, with incredible Art! A small sampling above of the artist flown in from Guadalajara

Many reasons to visit Point Richmond. Hikes with beautiful bay views, beach (yes swimming!), Natatorium (great indoor pool!) other fun shops like the Mom and Pop Shop, magical tiny fairy homes all along Washington ave. and more...
