Healthy Sweets, have one!

We're always in the market for Sweet Medicine (we even had a collection and website under that name). Here is our latest find.

Only 3 ingredients, manuka honey, chocolate and natural flavoring, all healing ingredients. Manuka honey for those that haven't heard is used medicinally - taken internally for cough relief, protection against ulcers, improved digestion, and even better oral health. Taken externally to heal open wounds. And it's delicious! Especially in these patties covered in dark chocolate (no sugar) with natural flavors.

Comes in sample packs, or pick you favorite flavor pack. Try a sample! yummmmmmmmmmmmmmmmmmmmm

Most of our Johnny Was separates and outerwear are marked at **30% off**, now **additional 25% off!** a few of our MANY styles in these pics (except this new fall coat)

New Fall items like this coat **20% off one piece.**

Citron ... So many new styles including "Men's"

New Styles from Vanite Couture, Alquema, Moonlight

Plus a lot of new jewelry from chunky boho, to delicate gold, silver and vermeil, with opals, diamonds, assorted stones And fun recycled parts jewelry from London.

Lotus Potus arises! Sorry to those that don't like that I use my/this platform to share my version and joy in this [epic story unfolding](#) (I hear you). You are still part of our community ... we are all in this together sisters (and bros)! If you feel you need to take a break from shopping Outback, we'll love you from a distance. There will likely be an epic battle before things settle and "Mamala" is in the directors chair, but I believe settle they will and direct she will!

Chris Thompson

A beautiful soul and "Servant of the Goddess", has moved into another realm. I was able to thank him for all the gifts given (thanks to Vivian) before he left.

I'm sure many of you reading this have been gifted or "saved" by him. And many unknowingly have enjoyed his gifts, including a weekly pound of mixed nuts on our snack table in one of our past "Temple Shops".

I let him know that his words and ways are in me and are passed down and around, as my grandson Kobe says, "I'm not complainin', just explainin' " (a Chrisism).

Every day I experience his gifts ... hear his words out of my mouth or those around me, sit on the couch in the Point Richmond store he gifted and brought to us, or walk on the floor he finished at Shaye's home, and so many more. His beautiful loving presence, so strong (and handsome), so compassionate and wise, with a smile (sorry we don't have a pic of that) and a laugh that eased all suffering, was the biggest gift.

I also let him know I love him and always will.
