## Aloha LoveTribe!

Enough about me, how are you? (a favorite line I took from my brother James). That's my response If I can't honestly say fabulous! (or at least good ... the new fabulous!). Though I'm usually great in the moment, it's funny how that question can bring one out of the moment! Life is definitely calling us to be in the moment, breathe in peace, breathe out a smile and **be loving kindness** (across the landscape of our "precious" beliefs even when challenged).

**And/or dress up as your favorite monster this halloween and growl!**

Kobe (my now 6 yr old grandson) and I are on the opposite belief spectrum on a couple of our key likes and dislikes. We both respect each others positions though and have found very creative "blendings" that we both get excited about. Our "blended" game coming out in 2025! Kindness is the key, and as Ram Dass said in our last communication ... we are loving kindness ... we are loving kindness...

This pic is of me and Ella (my nibling) at Kobe's 6yr party. Ella doesn't need Halloween as an excuse to dress up. And as we move into this new freer to be you and me world, you can also free up! Find out what lights you up while also feeling comfortable in your skin.
