The banner features the word 'Outback' in a large, stylized font, with 'in the Temple of Venus' in a smaller font below it. Below this is the phrase 'Be Fearless Choose Love' in a cursive font, followed by the website 'OutbackTempleVenus.com' in a red box. To the right is a painting of a man with long grey hair, a mustache, and a rainbow-colored cap, holding a pink heart. The background of the banner shows a row of small, colorful houses.

Aloha LoveTribe!

Wow! What a year. A year of emotional roller coasters. Anger, grief and disbelief over the tragedies that seemed avoidable along with the variety of collective and personal challenges. Yet also a year of new births, dreams coming true and the many other varieties of joy.

A year of learning to accept what is and people just as they are, while doing our best to move the needle in the direction of what works best for us personally, our family, our community, our country, and the world at large.

May the muscle of perseverance, presence and compassion gained this last year make this year a smoother ride, no matter what unfolds.

And may we all develop our personal bubble of joy, love, peace, health, abundance and compassion, as our drop, in our collective pool, rippling out.

we are loving kindness ... we are loving kindness... we are loving kindness

Be Fearless - Choose Love
xoxo Devi

PS Back to the bank robbery with Kobe (banker and security guard) and Robert (the robber) and me (the customer)... that's the way we're ending this year! (Kobe wanted me to let you all in on it) 😊 Happy New Year!
