**Dear LoveTribe,**

**First day of spring** and we are blessed to be here now. We all know these are times of big changes and big feelings ... scared, excited, anxious, angry, happy, depressed. Whether wanting to hide under the covers, go on marches or get ready for anything... we're all in this together.

Wherever you are on this emotional spectrum, Carpe Diem! Seize the moment! Step out into a new you in this new life. Begin the quest to find moments of joy, of beauty while also in touch with your compassion for those of us, those parts of us, that are struggling.

Shine on and grow with the flow

## Spring Cleaning!

We will help you clean out your closets and lighten your load. Bring in pieces that you've bought at Outback (or similar brands bought elsewhere, though we may not except these unless exceptional) that you no longer wear and we will give you credit against future purchases. It won't be a lot of credit per piece (\$5-40), as we want to keep the resale prices low, plus we need a mark-up that will cover marking down and/or donating some of the items. Please make sure they are clean, undamaged, fragrance free and preferably on hangers to make it easier for us to view them. We will have a recycled rack in each of our shops plus in our soon to reopen Outback x Library ... recycled, vintage, lending and purchasing.

Come see all our new spring now in and coming in daily!

we are loving kindness ... we are loving kindness... we are loving kindness

**Be Fearless - Choose Love**

xoxo Devi
