### Dear LoveTribe ...

This video was made just after I was given a 30 day notice on the month to month lease that we've had for 14 years on 4th St. It looks like we'll be able to stretch that out a couple of months but we still don't know for sure.

Why? They want to do some work on the building and then have a national brand shop come in.

We are working on some possible alternatives and we'll see what gifts are in store (meanwhile having to clear out the many gifts that are in our stores!)

We may be sending out a survey so we can design this transformation together and help us feel into what serves our community.

We've been nominated (after winning many years!) Best of the East Bay. Please Vote [Here](#)

Here's to a new path unfolding!

Be Fearless- Choose Love

## No Kings Day, this Saturdays' Rally ...

### Yes Queens Day! Celebrating RAINBOW PRIDE MONTH

Let's show up like the kind of Queens (or drag kings ;), the Queen Mothers, that gather all their children (even those with "neurodivergent" needs to control their worlds) to get along with each other, in unity. As we celebrate understanding that to have a beautiful rainbow we need all the colors. Unity of people not of power. Focusing on what we want to become not overcome, let's show up in peace, joy and strength of unity.

This will be a momentous day! (play date!)

Outback will be open and there will be a rally on the overpass of I 80 by 4th st.
