## Dear Ashland LoveTribe ...

This video was made just after I was given a 30 day notice on the month to month lease that we've had for 14 years on 4th St. in Berkeley. It looks like we'll be able to stretch that out a couple of months but we still don't know for sure. I originally didn't send this to you, our Ashland LoveTribe, because at this point it doesn't impact Ashland. But then the news is spreading fast so I thought best if you hear from me first.

Why did they do this? The landlords in Berkeley are in commercial real estate. They need to get big box shops to get the highest possible rents. Which they have been doing, Tesla (with Berkeley's weekly protests), Sephora, Nike, CB2, Athletica, Apple... turning into a mall street :( Fortunately we have a fabulous LandLady Laura in Ashland. She has been working with us for 10 years to make sure we can stay there. Though in these times ... who knows.

As we continue to "grow with the flow"

## No Kings Day, this Saturdays' Rally ...

**Yes Queens Day! Celebrating RAINBOW PRIDE MONTH**

Let's show up like the kind of Queens (or drag kings ;), the Queen Mothers, that gather all their children (even those with "neorodivergent" needs to control their worlds) to get along with each other, in unity. As we celebrate understanding that to have a beautiful rainbow we need all the colors. Unity of people not of power. Focusing on what we want to become not overcome, let's show up in peace, joy and strength of unity.

This will be a momentous day! (play date!)
