Dear LoveTribe

We are now offering our LoveTribe (you!) **20% off of everything, now including Magnolia Pearl!** That's the new discount, not 20% off of 1 item but off of all but the sale racks. We have an agreement not to sell discounted items in our new Berkeley shop (although we were able to negotiate our Back Hallway Sale section). You will find a lot of great clothing items 50-80% off in our sale hallway. We will also offer specials (maybe bi-weekly) as we go along. Our Point Richmond and Ashland shops will be set up as usual, with the discount 20% off of everything (including marked down prices) except our 50%, \$10-38 sale racks. We continue to take in the fall merchandise we ordered, so new things are coming in. Yet, will continue with sales to liquidate in case we need to close in the next 2-5 months.

Magnolia Pearl will no longer be selling through shops, they've been introduced to customers through shops all over the country and now will be selling direct to them. hmmm... maybe it's the tariffs? anyway we will no longer keep our agreement of not discounting the items. So for the next 10 days (the deadline for any returns) we will be selling at **20% off**.

Our many shifts exercise our muscle of "growing with the flow" Letting the minor things in our lives be exercises for handling the larger communal to global changes. Whether you pray or meditate to check in and ground, let's get good at expecting miracles and finding the silver linings (seeing the benefits of what unfolded). all the while we notice our "pronoia" as the sneaking suspicion that we're following something. Then out of that grounded space take the

actions that show up to take and trust the unfolding. That's what works for me!
Be Fearless Choose Love xoxo Devi
