## Thursday Dec 11 2pm-7ish ... PARTY and Trunk Show Outback Berkeley!

We will be having a party! An opening party (a closing party?) shopping party and trunk show party. Thursday 2-7ish Food, drinks, community and surprise guests! **I (Devi) am so looking forward to seeing those of you that can come!** I don't get a chance much these days to be in the shop ... I'm orchestrating behind the scenes magic for Outback and hanging with Kobe.

### Trunk Shows with:

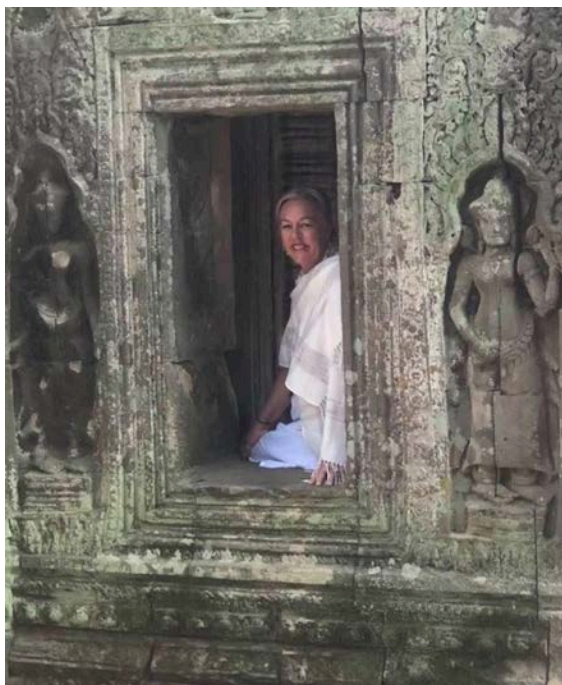

**Clare Ullman Jewelry:** Clare, also my BFF, designs treasured elegant and to me magic talismans, in gold, silver, natural pearls and precious and semi-precious stones, into necklaces (I never take mine off!) lariats and earrings.

**Kenlynn** knits fabulous sweaters ... herself! And dyes them in these rich colors you see below. Long cardigans, beautifully

shaped sweater jackets, dresses, sweater tops and scarfs. She has a shop in Ross.

My BFF **Jan Michaels** (Many of you wear her jewelry) will also be partying with us. She is showing her work this weekend at The Winter Art Faire at the Sanchez Art Center in Pacifica. I'm going to ask her to bring a tray of her latest jewels although we do always have some of her epic creations Outback!

The Gardener is also having a trunk show, so you can make the rounds and enjoy the beautiful lights on 4th St... Magical!

## Outback designs

Our Fall Outback production has been stuck in customs for over 3 months... whahhh! Many of you lived in our bamboo/cotton/lycra fleece last winter and have come looking for more, but unfortunately we don't know when or if we will get it.

In meantime we cut (and are cutting) some local production see below.

**Life in San Miguel de Allende, Mexico**

I just returned from my home in San Miguel de Allende where I went for my BFF (pictured here) Judith Jenya's grand celebration of an amazing 85 years! We have her book, Memories don't Burn, that chronicles a slice of her unbelievable life and her huge contribution to many other lives, in our Berkeley Temple/Shop.

I hadn't been in SMA for a few years (been "pedal to the medal" here). But I have had mi casa for 27 yrs and it was soooo wonderful being there, even for a few days. As many of you know the town is a gorgeous old Colonial heritage town. The blue sky above was on my way to a fabulous ranch. The photo barely captures the bluest blue sky and whitest clouds. The town, the people, the sky, the food ... all an electric rainbow of artistry and sweetness.

There is a wonderful woman, Audrey, staying in my home, which is a duplex and we are now opening our home once again to our LoveTribe. Let me know if you'd like to visit.
