Greetings LoveTribe,

This month, it's with pleasure that I honor the father, whether birth father or step father ... the father that steps in to guide, nurture, support and protect. Yeah for this kinda being! Robert steps in with his family of goddesses pictured here.

There are many wonderful fathers and many ... well ... brutes. Humans are coming back into balance as this dark side is showing up to be exposed, viewed and reviewed by us all daily. This consciousness gives us a choice in our ability to respond from love. Acknowledging our fears and the responses that arise from them and choosing love. It's all about the path, whether we're lemmings or god(desses) incarnating (or both!), the path of love, beauty and of the opti-mystic is a magical ride!

A fun way for men to come into balance is rediscovering their inner peacock and the playfulness, creativity, juiciness and spark that blossoms ... along with opening to new ideas and an enhanced ability to listen. Wow! Just from trying on some new shirts? Maybe! Try on a pink shirt and see how you feel!

To support this play we are giving an additional 25% off all mens shirts, socks, pants, jackets all month.

And for this month **20% off one piece of "women's clothing"** (Although if worn by a man 25% off). **Mention LoveTribe to get this discount!**

xoxo Devi

Cheppu & Devi designed shirts ... just in

A very light weight cotton shirt, perfect for hot times! Wear it open with fun detail of other pattern, or close into a Nehru collar. Fair trade, small production. My friend Christine's company Cheppu has been working in Nepal for almost 40 years. The company supports a school and Christines' non-profit, We Help Nepal, raised over half a million dollars and had people on the ground the next day after the

quake in remote areas bringing relief supplies.
Modeled by my main squeeze Roberto!
