## Aloha LoveTribe,

*I just returned from buying trips with so many of your favs, Johnny Was, Biya, Love & Liberty, Pete & Greta, Citron, Magdalena pants in 3 new gorgeous colors. For men, fab shirts, jackets, belts, scarves, fun socks and best pant ever. Plus lots of new jewelry and small gifts of beauty and spirit, boots (see my commercial made in the Redwood forest below), fun cozy hats, wrist warmers ... A few pics of goodies after my personal message and a peek into the shops ...*

## **Personal message ...**

We have a full shop and it appears we *all* have a full range of emotions and sensations this season. This leads to a great fullness in life. I see the uniqueness of ways many of you are holding (or holding on in) this quickening of changes. Some with humor, exuberance and passion, some with grief, anger and/or depression, or as

a physically challenged beloved said, *shaking like the last leaf on a NY winter tree...*

We're learning to be with the full range of emotions and body sensations, while not suffering over or judging them, ourselves or each other. But instead, like my beloved, to see poetry, beauty, strength and the fragility of this precious life. Knowing seasons change, new growth sprouts, from that divine spark of life.

So however this holiday season finds you, we honor you and send our love. And if you would like some cheer, some company, some beauty, a cozy couch, snacks and fun gift buying, you know where to go.

*may life's magic bless you ... no matter what*

## Ashland LoveTribe Temple peek ... *Winona Laduke on her way to Standing Rock*

Winona came by before giving a talk in Ashland last month. In the video she is wearing a velvet shirt by Pete & Greta, with scarf by Asian Eye, and you can hear her take on the situation. And in the pic to the right, she is wearing a Hat by Heading Home Hats. All bought Outback.

Three of Outbacks Serient Goddesses - Beth in Johnny Was, Susan in Inizio and Miriam in Deca

## A few of our Biya, Johnny Was styles

... plaids, velvets, silks, rayon, cotton (each Temple/ Shop has different assortments)

## Rovers Boots on a redwood walk ...

Here's another spontaneous video Robert suggested we do on our Thanksgiving Day walk. It was cold and we had just walked uphill so I was a bit low on air/energy, not viral worthy, but

family worthy.  
1 minute 8 seconds

P.S. A little ditty from Hsaio-Yee's hubby St. Nick

(pretend we're all singing to you)

*Deck Outback from wall to wall-y.
