Aloha LoveTribe,

Happenings ...

Tonight in Point Richmond: Richmond Summer Concert ... great bands, fun dancing in the street 5:30-8. And of course you can shop the sale beforehand (open til 6ish)!

Tomorrow on Fourth St. Berkeley: Side Walk Sale for the entire street.

I just returned from shopping/working/playing with my "partners" in LA early this morning... thus the late email! I found many beautiful pieces that will create a great line up for fall and to add to our sale! We all cleaned out our warehouses and we will get some new beauty out right away to put on our \$10, 20, 30 racks and also on our half off racks (off of already reduced prices)! We will continue next week adding more of these pieces and putting out new "fall" merchandise, as the sale starts to morph into fall. For this sidewalk sale we are putting out further discounted racks and there will be, I'm sure, other wonderful pieces with great prices from our community of Fourth Street Merchants.
