"You are not just harmonizers, you are dream weavers. Every one of your songs tells a story, creates a feeling or takes me to a place." — Andy, Waimea HI

Singer-songwriters Anjalisa Aitken & Gary Garrett create magical music, moving their concert listeners to laughter, and often tears.

Their original folk-fusion songs are influenced by a dozen genres. Every song is different. Their thought-provoking, witty lyrics and gorgeous vocal blend, along with Gary's tasty guitar playing, make for a wonderful concert experience. They'll be singing in the shop on First Friday.

*"Your songs are powerful, beautiful, and fun. What a spectrum!"
— Eileen, San Rafael CA*
