I spoke/wrote too soon and a few of the lines I mentioned last week

hadn't gotten out on the floor yet (busy times!) but are there now except for the spring summer styles being held for warmer times.

Abundance of NEW "mens" shirts by Eight X!

Although we have a great selection of mens shirts this new shipment hadn't gotten out last week and is now in!

Eroke Italy, dresses, skirts, pants, jackets in fun prints (most reversible for 2 different looks). This is a very flattering fabric and cuts, that although fitted, still manage to make a smooth look. Not in Ashland.

Maria P Grazia, one of my favorite designers for her inspiring creativity, excellent quality fabrics and amazing couture tailoring. Not in Ashland.

Nor just a few styles of many. Nor is in all shops (though not all styles)

These signs were texted to me by Jane Heaven, here doing her magic at our new concept library shop. Check out the [Instagram](#) [Outback X Library](#) opening soonish!

With 2020 vision and the exuberance of the soaring 20's (whether laughing, screaming, crying, singing, dancing or hobbling along!) counting our miracles even in the midst of pain or grief (ours and/or others), we will use our one miraculous life to birth a new miraculous world. Most mothers know the challenge of birth (while a few laugh all the way through and many scream all the way, deep present breathing helps immensely). AND the miracle of love at the end of that tunnel makes the journey dissolve and only a love, never even known before, is left. These are the times of this great adventurous journey of birthing into love. The time of *Involution.

Enjoy the miraculous! Count your miracles!

xoxo Devi

***Involution** ... As I wrote this word, I realized it's time to share a mystical story in my life over the past 11+ years, so I will be sharing that story soon.

Just a small sampling of new styles in, though not all styles/sizes in all shops.
