Namaste LoveTribe,

Thanks for coming out to support us!
It's working! We will continue with
the same hours this week.

LAST week a percentage of the sales
going to [Black Lives Matter](#)
was a contribution of \$700. The
momentum around the globe for
systemic change is very exciting to
watch. Watching ourselves look deeply
into our beliefs both known and being
discovered, uncovering the deeper fears
that block our inherent love for each other and for the whole
interconnected
world and life. Beginning to see with 2020 visions.

ASHLAND Temple/Shop
Today/Wednesday, Thursday, Friday & Saturday 12-6.

And our specials this week (only)

Well this is kind of a crazy one as these items are already very
discounted ... but it's what has arisen and should be fun!
